### MEMORANDUM

CR-02-0947

Pike Circuit Court CC-02-0134 & -0136

Kenny Price v. State

McMILLAN, Presiding Judge.

The appellant was found guilty of two counts of unlawful distribution of a controlled substance. The trial court sentenced him, as a habitual offender with five prior felony convictions, to two consecutive terms of 25 years' imprisonment. The court also suspended his driving privileges and ordered him to pay a \$1,000 demand reduction fee, a \$100 forensic fee, a \$50 crime victims assessment, court costs and attorney fees.

The appellant, pro se, filed written notice of appeal. His trial counsel was permitted to withdraw, and a new counsel was appointed for appeal. The appellate counsel has filed a brief in substantial compliance with Anders v. California, 386 U.S. 738 (1967), in which he states that he believes that this appeal is without merit. The appellant has submitted two

issues for this court's consideration: whether the evidence was sufficient to support the guilty verdict and whether his trial counsel was ineffective, based upon fourteen alleged "wrongs."

A review of the record reveals that both of the appellant's claims are without merit and that there is no other issue which warrants review on appeal. Therefore, the judgment of the trial court is affirmed.

AFFIRMED.

Cobb, Baschab, Shaw, and Wise, JJ., concur.
